ORGANISATIONAL CHART:

OVERALL PURPOSE/ROLE SUMMARY:

The post holder will provide, urgent, emergency and social care to patients in a pre-hospital environment in accordance with the role of Apprentice Associate Ambulance Practitioner. They will ensure that they deliver the service in accordance with their apprenticeship training, scope of practice and guidance under structured supervision. The development of the position will offer a progression role through from a non-clinical position during the apprenticeship period, moving onto a Band 4 qualified clinical position on successful completion of the course. They will act in accordance with Trust policies, procedures and protocols, Trainee (Apprentice) Associate Ambulance Practitioner scope of practice, appropriate sections of the Joint Royal Colleges Ambulance Liaison Committee (JRCALC) guidelines and current legislation at all times.

MAIN DUTIES AND RESPONSIBILITIES:

Following initial induction and formal training the following duties will be undertaken under supervision for a minimum of demonstrable 750 operational hours in a non-clinical capacity. This will be supported through the provision of portfolio-based evidence and assessment taking into consideration operational delivery within both the urgent, emergency and Health Care Professional elements of delivery. Apprentice Associate Ambulance Practitioners will be required to demonstrate and evidence the key knowledge, skills and behaviours as per their Apprenticeship standard.

1. The post holder will respond to incidents of an urgent, emergency or social care nature in a professional and responsible manner ensuring that the patient is treated and cared for appropriately in line with trust policies and procedures and in accordance with the FutureQuals training programme/JRCALC Guidelines/Trust Policies and Procedures/Level 4 Associate Ambulance Practitioner Apprenticeship Standard.
2. The post holder will maintain delivery to patients in accordance with both local and national performance standards. They will be responsible for their own performance in meeting trust standards of delivery and will be required to monitor and record data as required within the role of an Apprentice Associate Ambulance Practitioner.

3. The post holder will provide support in delivering advanced resuscitative treatment procedures when required and appropriate in accordance with FutureQuals educational programme JRCALC Guidelines, Trust Policies and Procedures, and the Level 4 Associate Ambulance Practitioner Apprenticeship standard.
4. The post holder will, with support, utilise appropriate onward referral pathways for service users in line with Trust Policies and procedures.
5. The post holder will undertake the driving of all vehicle types relevant to their area of work and operated by the Trust through their driver training and in accordance with the FutureQuals educational programme. They will be required to drive appropriate vehicles under emergency conditions when appropriate and within their scope of practice.
6. The post holder will ensure that the ambulance vehicle allocated by shift is appropriately stocked either through confirmation of the Make Ready process, or through full vehicle checks as per Trust Policies and Procedures.
7. It is their responsibility to ensure that all equipment is functioning and ready for use at the commencement of each shift in accordance with Trust Policies and Procedures (MRT). Equally, all vehicle inspections are undertaken ensuring that all defects, deficiencies and accident damage is reported in accordance with Service Procedures.
8. The post holder will complete all documentation required by the role with regards to patients and service requirements. These documents are to be completed and maintained in accordance with National, Legislative, Trust Procedures and Data Protection Act.
9. The post holder will complete all documentation required by the Level 4 Associate Ambulance Practitioner Apprenticeship standard and in line with the programme requirements.
10. The post holder will undertake duties in relation to major incidents including exercises, which may require call out when off duty in accordance with the Trust Major Incident Procedure.
11. The post holder will be required to securely manage, administer and document all non-prescription and prescription only medicines in accordance with JRCALC guidelines, Trust Pharmacist, local clinical committee guidelines and their scope of practice.
12. The post holder will be required to train and be proficient in the use and operation of the Trusts communication equipment and deliver in accordance with Service Procedures.

13. The post holder will apply extra clinical skills within the scope of practice legislated and licenced by SCAS such as 12 lead ECG, Advanced Airway Management, Intra-muscular injections, manual de-fibrillation etc.
14. The post holder will adhere to Trust Policies and Procedures and the Code of Conduct in performance of all duties.
15. They will be required to professionally liaise, communicate and co-operate with patients, relatives and members of the public to ensure the delivery of patient care at the highest level. They will communicate with all service colleagues, health care/medical professionals and other emergency services to facilitate the delivery of a quality service.
16. The post holder will be required to respond to any reasonable request as detailed by any authorised representative of the Chief Executive in accordance with Trust policies and Procedures.
17. The post holder will be required to adhere to all Trust Policies and Procedures in relation to infection control measures paying particular attention to the adherence to personal hygiene and welfare within both the operational and local environment.
18. The post holder will be responsible for maintaining the cleanliness and functionality of all equipment in his/her area of work. They will be required to report/remedy any defects without avoidable delay.
19. To undertake continuous professional training and development, maintaining a portfolio of practical and clinical evidence, in accordance with the requirements of their training programme, apprenticeship standard and scope of practice in accordance with the Trusts requirements.
20. The post holder will be responsible for reporting any untoward incident or accident immediately utilising the Trusts DATIX system and in accordance with Trust Policies and Procedures.
21. They will also be required to report any incidences of risk, neglect, abuse or endangerment to minors or vulnerable adults in accordance with local, national and Trust Policy.
22. The post holder will be responsible for ensuring that they are familiar with and updated on their working patterns and that these are in accordance with the Trusts Policies and Procedures and scheduling processes.
23. The post holder will be required to work effectively and supportively within their role, supporting their peers.
24. The post holder will be responsible for maintaining and updating of their personal data through the relevant departments and systems utilised by the Trust.

25. The post holder will be required to successfully complete all of the apprenticeship programme elements before deemed qualified, including (not exclusively) attending tripartite reviews, working alongside their designated mentor, and passing the End Point Assessment.
26. Apprentice Associate Ambulance Practitioners will be expected to show a significant commitment towards their learner journey in their own time, being it to complete the portfolio or any other work related to their apprenticeship and practice.

GENERAL INFORMATION:

Changes to this job description:

The job description is not exhaustive and is subject to review in the light of the changing needs of the organisation. Any review of this job description will be undertaken in consultation with the post holder.

SCAS Core Values: Teamwork, Innovation, Professionalism, Caring.

Smoking:

South Central Ambulance Service operates a 'No Smoking' policy.

Equality and Diversity:

South Central Ambulance Service is committed to the fair treatment of all people, regardless of their gender, race, colour, ethnicity, ethnic or national origin, citizenship, religion, disability, mental health needs, age, domestic circumstances, social class, sexuality, beliefs, political allegiance or trades union membership.

Health and Safety:

It is the general duty of every employee to take reasonable care for the Health and Safety of themselves and others including the use of necessary safety devices and protective clothing and co-operation with the Trust in meeting its responsibilities under the Health and Safety At Work legislation. The post holder must be aware of individual responsibilities under the Health and Safety at Work Act and identify and report, as necessary, any untoward accident, incident or potentially hazardous environment.

It is the Trust's responsibility to ensure that staff are able to work in a safe and conducive working environment and that responsibilities regarding Health and Safety and staff welfare legislation and best practice are fulfilled throughout their area of

responsibility, this will also include undertaking Risk Assessments as and when required.

Infection Control

Infection Prevention and Control: South Central Ambulance Service is committed to reducing the risk of healthcare associated infections. All employees involved directly or indirectly in the provision of healthcare have a duty to cooperate with the Trust's Infection Prevention and Control associated Policies and Procedures to reduce the risk of healthcare associated infections for patient's staff and the public. You will be expected to cooperate with colleagues, contractors and other healthcare providers also involved in patient care directly or indirectly so far as is necessary to enable the Trust to meet its obligations under the Health and Social Care Act 2008

Safeguarding Children and Vulnerable Adults

SCAS has a statutory duty to safeguard and promote the welfare of children and young people (Children Act 2004), to protect adults at risk of abuse (Care Act 2014, Mental Capacity Act 2005 et al), and to support the Home Office Counter Terrorism strategy CONTEST, which includes a specific focus on PREVENT.

Safeguarding is everybody's business, and any concern should be promptly reported in accordance with South Central Ambulance Service's safeguarding policy and associated guidance found within South Central Ambulance Service allegations and other associated policies. Support, advice, and guidance may be sought from the safeguarding team however this should not be in place of a referral ensuring the principle of "No delay."

Confidentiality:

The post holder must ensure that personal information for patients, members of staff and all other individuals is kept secure and confidential at all times in compliance with the Data Protection Legislation.

Development:

The post holder will be required to participate in relevant development activities and development reviews.

Freedom to Speak up (FTSU):

All staff have a responsibility for creating a safe culture and an environment in which we are all able to highlight when things go wrong, might go wrong, or when things are good, but could be even better.

FTSU is a fundamental part of this and is a core element of the Trust's values and behaviours, we need to be mindful how our behaviour may inhibit or encourage someone speaking, listening or following up. Further eLearning is available on ESR.

The job description is not exhaustive and is subject to review in the light of the changing needs of the organisation. Any review of this job description will be undertaken in consultation with the postholder
